Director's Comments

The Academy continues to be and always will be a vital regional training facility for Fire, Technical Rescue, Emergency medical services, Incident management team, Regional emergency planning committee, and Police specialty training. Federally mandated ICS and NIMS training will continue for all the Towns of Barnstable, Nantucket, and Dukes Counties as the need changes yearly.

We do and will provide highly professional training for all the Towns of Barnstable County as the budget allows.

Respectfully Submitted,

Lee W. Pareseau

Director of Fire Training

Recruit Training

SCBA Training

Flashover Training

HazMat Training

Ladder Training

Firefighter I&II Class of 2010

The Fire Academy strives to provide current, high-quality, safe and realistic Fire & Rescue Training from beginning to the most advanced levels.
