Our Annual Winter Art Exhibit

This year's theme of *Opposites Attract* features the work of 72 local Cape Cod artists. This unique exhibit is free and open to the general public and we anticipate over three thousand people will view the art. Over the coming weeks some 2,000 Cape school children and hundreds of senior citizens will have guided tours and create their own hands-on art project!

Our theme in 2016 will be *Balancing Act*.
