Barnstable County Commissioner’s Office
P.O. Box 427
3195 Main Street, Superior Courthouse
Barnstable, MA 02630

Dear Barnstable County Commissioners:

The Yarmouth Chamber of Commerce has overseen the Visitor Information Center located on Route 6 for nearly a decade. During that time, we have seen a steady increase in the number of visitors that take advantage of the services and amenities provided. In fact, in 2016 the Visitor Center’s annual record was broken with over 40,000 guests and a daily record of 897 people walking through the doors in just 8 hours.

Millions of dollars are spent annually to market Cape Cod as a tourist destination. Almost 5 million people traveled to the Cape last year alone and there is no question that tourism is the largest economic driver we have in Barnstable County. A prime example of this is the Route 6 Rest Area which generates a minimum of 10 seasonal jobs and are indirectly responsible for additional seasonal employment by promoting businesses across Cape Cod.

The Yarmouth Chamber of Commerce is requesting the Commissioners to supplement the operating budget to run the Rest Area for the 2018 fiscal year. As the organization that understands the needs and requirements to operate the Rest Area we are prepared to take management of the facilities as of July 1, 2017. The funds generated from license plate money is clearly stated that it is to promote tourism and economic development. According to Massachusetts General Law Title XIV, Chapter 90 Section 2, “40 per cent to the Barnstable county commissioners, 40 per cent to the Cape Cod Economic Development Council, Inc. or its successor and 20 per cent to the Lower Cape Community Development Corporation; provided, however, that all amounts so transferred shall be used to promote tourism and economic development.” We have seen no better example of how a small amount of money can benefit so many taxpayers, county-wide, to promote tourism and economic development with such immediate and proven effect than reinstating the long-time tradition of maintaining the operation of this rest area. It is for the simple purity of our request and the consideration of the livelihoods that you could hinder that any termination of this precedent established by the Commissioners.
We have enclosed a projected 2018 operating budget for your review.

We thank you for your consideration of the very important request, to fund the Route 6 Rest Area for fiscal year 2018, so that our businesses, attractions, and destinations can thrive by promoting them.

Sincerely,

Mary Vilbon

The purpose of the PROGRAM /MODEL SUMMARY attachment is to provide an executive summary of each program model contained in the contract. Limit descriptive narrative to this page only.

Children’s Cove is a freestanding, child-friendly facility designed, staffed and equipped to provide comprehensive and coordinated multidisciplinary services to child abuse victims and their families. Children’s Cove is a department of Barnstable County and was established in 1997 as the result of efforts from the Task Force on Children and the need for a collaborative strategy from involved agencies on the Cape and the Islands. These services, specialized by discipline, are provided by member agencies which include Barnstable County, the Cape and Islands District Attorney’s Office, Cape Cod Healthcare, the Department of Children and Families, and the Department of Mental Health. The Center provides services for children, ages two through seventeen, who have disclosed that they have been sexually abused, physically abused, witness to domestic violence, or a victim of child sexual exploitation and trafficking. In October 2008, Children’s Cove became a fully accredited agency of the National Children’s Alliance.

Children’s Cove provides a safe, centralized, and “homelike” facility staffed by abuse experts trained to deal with children who have been victimized. Services provided include forensic interviews, specialized on-site medical examinations and evidence collection, mental health referrals and consultation, victim advocacy, community training and outreach, case tracking and case review. Children’s Cove conducts, on average, 200 forensic interviews annually.

Agency staff includes a director, associate director/SAIN Coordinator, mental health coordinator, community education and outreach coordinator, family advocate and support staff. Forensic interviews are conducted primarily by the SAIN Coordinator and the Director of Children’s Cove as a secondary source. Medical services are provided by a Pediatric Sexual Assault Nurse Examiner (PediSANE) through the MA Department of Public Health and Cape Cod Healthcare. Our pool of volunteers and interns through the year provide Children’s Cove with necessary administrative support. The multi-disciplinary team (MDT) model that Children’s Cove utilizes ensures that all partnering agencies are providing thorough and comprehensive services to our families. Children’s Cove has established a comprehensive model that assures all partner agencies bring forth a strong MDT when providing services to child victims and their families.

Memorandum of Understanding

Between

Barnstable County Regional Emergency Planning Committee

And

The Mashpee Wampanoag Tribe

I. Purpose

The purpose of this Memorandum of Understanding ("MOU") is to establish a working relationship between the Barnstable County Regional Emergency Planning Committee ("BCREPC") and the Mashpee Wampanoag Tribe ("MWT") in preparing for and responding to disasters. This MOU provides the broad framework for the cooperation between the two organizations in rendering assistance and service to victims of disaster, as well as other services for which cooperation may be mutually beneficial.

II. Authority

The Tribe is a federally recognized Indian tribe. The Tribe is acting through its Tribal Council as authorized by the Constitution of the Mashpee Wampanoag Tribe, article VI, sections 2A and 2D.

The BCREPC is authorized to enter into this MOU.

The parties represent that the undersigned are authorized to execute this MOU on behalf of the Tribe and BCREPC, respectively.

III. Independence of Operations

Each organization will maintain its own identity in providing services. None of the obligations undertaken in this agreement are intended to conflict with or override any pre-existing obligation of the MWT and BCREPC, including any of their components, regulations or procedures.

Each party retains the discretion, in its sole judgment, to render requested aid and to determine the extent of any aid it renders.
This MOU is not an obligation nor a commitment of funds, but rather a statement of understanding of process and procedures between the MWT, BCREPC and other response agencies. Reviews, request for changes and interpretation of the general provisions of this MOU will be coordinated through the senior point of contacts within each agency designated below. Each organization is separately responsible for establishing its own policies and procedures and financing its own activities.

IV. Definition of Disaster

A disaster is an impending or occurring event of such destructive magnitude and force as to dislocate people, separate family members, damage or destroy homes and injure or kill people. A disaster produces a range and level of immediate suffering and basic human needs that cannot be promptly or adequately addressed by the affected people and that prevents them from initiating and proceeding with recovery efforts. Emergency agencies categorize disasters by their causative agents, broadly separated into natural and human caused disasters. Natural disasters include floods, tornadoes, hurricanes, typhoons, winter storms, tsunamis, hailstorms, wildfires, windstorms, epidemics and earthquakes. Human caused disasters whether intentional or unintentional – include residential fires, building collapses, transportation accidents, hazardous materials releases, nuclear accidents, explosions and acts of terrorism.

V. Barnstable County Regional Emergency Planning Committee

The Barnstable County Regional Emergency Planning Committee (BCREPC) was organized in 2002 to assist Cape Cod communities with the preparation for intentional and unintentional hazardous materials emergencies and to ensure municipal compliance with Superfund Amendments and Reauthorization Act, also known as SARA Title III. As BCREPC has developed over the years, it has seen its role expand to “All Hazard” emergency planning to address Homeland Security, Meteorological and Public Health issues that may affect the region. To support this comprehensive emergency planning program, BCREPC has developed and utilizes The Barnstable County All Hazard Incident Management Team, a Type 3 IMT that is available to assist local state and federal agencies with incident response during emergency or planned events. BCIMT provides staffing for the Barnstable County Multi Agency Coordination Center MACC which is opened during emergency events and disasters to support the citizens of Barnstable County with support for the Barnstable County Regional Sheltering Plan, power restoration, resource requests, and situational awareness.

VI. Mashpee Wampanoag Tribe

The Mashpee Wampanoag Tribe Emergency Preparedness Department’s (MWT EPREP) mission is to support Tribal citizens to ensure that as a Sovereign Nation, the MWT EPREP work to make all reasonable efforts to prevent and mitigate against all hazards, prepare for and respond to emergencies, and initiate recovery activities on its own, whenever possible. MWT EPREP operates on the functions and principles of the National Incident Management System (NIMS) and Incident Command System (ICS).
MWT EPREP falls under the Tribe’s overarching goal which is to protect Tribal people, property, staff and visitors, and resources from harm and reduce damages in the event of a human-caused or natural disaster. MWT EPREP’s objective is for the Tribe and its Tribal members to maintain self-sufficiency for at least 72 hours, if necessary. The focus of self-sufficiency is to, advise Tribal members in advance regarding individual and household preparedness and during a hazard event provide immediate outreach and emergency services to Tribal Elders and other individuals requiring additional assistance. At the same time, MWT EPREP’s policy is to help other people and jurisdictions in times of need, especially its partners in Barnstable County. As resources allow (e.g., extra space in a Tribal emergency shelter), the Tribe’s emergency operations will also serve residents and visitors of the Town of Mashpee and other Tribes and communities with which we partner.

Preparedness, Response and Recovery efforts are conducted and initiated through the MWT EPREP Department and with the coordination of the Tribal Emergency Response Task Force (TERTF) and the Tribal Community Emergency Response Team (CERT).

VII. Method of Cooperation

The BCREPC and the MWT will cooperate and coordinate in rendering their respective activities in the following manner:

1. The BCREPC and the MWT will maintain close liaison at all levels of both the MWT and the BCREPC by conferences, meetings, telephone, facsimile, e-mail, and other means. They will share current data regarding disasters, to include statistical information, historical information, emerging needs and trends, damage assessments, disaster declarations, and changes in applicable legislation. They will include a representative of the other party in appropriate committees and task forces formed to mitigate, prepare for, respond to, and recover from disasters and other emergencies.

2. The MWT will nominate in writing one representative and at their option an alternate representative to serve as a voting member to the Barnstable County Regional Emergency Planning Committee. This representation will be confirmed by the Barnstable County Commissioners and then the membership of the BCREPC.

3. During a disaster the MWT will, as appropriate, at the request of the BCREPC, provide liaison personnel to the Multi Agency Coordination Center (MACC). The BCREPC will provide space and, whenever possible, other required support, such as a computer, e-mail access and a designated phone line for the MWT liaison personnel assigned to the MACC.

4. The BCREPC will provide incident management support to the MWT through the Barnstable County All Hazard Incident Management Team at the request of the MWT for emergency and planned events depending on the availability of the IMT’s members.
5. The MWT and the BCREPC are responsible for their own independent organization’s financial funding during times of disaster.

6. The MWT and the BCREPC will communicate to their respective organizations the intent of this MOU and will urge full cooperation with each other.

7. Neither party to this MOU will use the name, logo, emblem or trademarks of the other without prior written authorization for each use. Nothing in the MOU shall be construed as granting such authorization.

8. Regular communication will be maintained between the MWT and the BCREPC during non-disaster periods as well as during times of disaster response.

9. The BCREPC will keep the public informed of the cooperative efforts with the MWT through public information efforts.

10. The MWT and the BCREPC will advocate for programs and public policy decisions designed to mitigate disaster damage and loss of life in Barnstable County.

11. The BCREPC will provide community disaster education programs with the MWT and other participating agencies supporting Barnstable County. Such programs will advise the public on how to prepare for emergencies and natural disasters.

12. The MWT and the BCREPC will actively seek to identify other areas or services within their respective organizations where cooperation and support will facilitate regional sheltering operations and to engage other agencies to include local emergency management in this process.

VIII. Expenses

This MOU does not create an obligation for either party to reimburse or compensate the other for any costs or expenses associated with cooperative activities related to this MOU. The MWT and BCREPC agree that to the extent their relationship may now or in the future entail any financial commitments to each other such commitments will be set forth in a separate, written agreement signed by both parties.

IX. Periodic Review

The BCREPC and the MWT along with representatives of the other participating agencies will, on an annual basis, on or around the anniversary date of this MOU, jointly evaluate their progress in implementing the Plan and revise and develop new plans or goals as appropriate.
X. Term and Termination

This MOU is effective immediately as of the date of the last signature below and expires five years from the last signature date. Six months prior to expiration, the parties will meet to review the progress and success of the cooperative effort. In connection with such review, the parties may decide to extend this MOU for an additional period, not exceeding five years, and if so shall confirm this in a signed writing. It may be terminated by written notice from either party to the other at any time for any reason or for no reason.

XI. Liability

The agency requesting assistance under this MOU shall not be responsible for the liability or defense of the employees, volunteers, agents and subcontractors of the agency providing assistance.

XII. Insurance

Each requesting and assisting party operating under this MOU shall bear the risk of its own actions as it would with normal, day-to-day operations, and determine for itself what kind and amounts of insurance it should carry.

XIII. Sovereign Immunity

Nothing in this MOU shall be construed as affecting, modifying, diminishing, or otherwise impairing the Sovereign Immunity enjoyed by the MWT.

XIV. Notices

Notices provided for in this MOU shall be sent by certified mail to the primary and alternate contacts designated by the parties herein.

XV. Entire Agreement

The parties agree that this MOU is the complete expression of agreement between the parties and any oral representations or understandings not incorporated herein are excluded.

XVI. Counterparts

This MOU may be executed in several counterparts, each of which is an original, but all of which together constitute a single instrument.

XVII. Savings Clauses

a. Under no circumstance shall any officer, agent, or employee of the BCREPC be subject to Tribal court jurisdiction by virtue of entering into this MOU or by
performing or failing to perform any duty and/or obligation set forth in this MOU. Nothing in this MOU shall be construed to subject the BCREPC or agents thereof to the jurisdiction of the Tribe or to tribal law.

b. Under no circumstance shall any officer, agent, or employee of the Tribe be subject to State court jurisdiction by virtue of entering into this MOU or by performing or failing to perform any duty and/or obligation set forth in this MOU. Nothing in this MOU shall be construed to subject the Tribe or any officers or agents thereof to the jurisdiction of the State or to State law.

c. The provisions of this MOU are severable and should any provision be held invalid or unenforceable, the remainder of this MOU remains in effect unless terminated as provided in this MOU.

XVIII. Miscellaneous

This MOU does not create a partnership or a joint venture. Neither party to this MOU has the authority to act on behalf of the other party or to bind the other party to any obligation. This MOU is not intended to be enforceable in any court of law or dispute resolution forum. The sole remedy for non-performance under this MOU is termination, with no damages or penalty.
