AGENDA ITEM 8b

Authorizing the approval of a grounds request by the American Cancer Society to utilize the County Courts Complex for the start and finish of their annual Making Strides Against Breast Cancer event on Sunday October 14, 2018
July 9, 2018

Dear Commissioner:

The American Cancer Society is planning the annual Making Strides Against Breast Cancer event on Sunday October 14, 2018. We have utilized the courthouse as our start/finish location over the last few years and our participants love it. The location in the village is perfect and of course the walk route is picturesque. We again would like to ask for your permission to use the front courtyard of the Barnstable County Superior Courthouse as our Start/Finish location.

As a vital part of our walk we request the use of the Barnstable County Courthouse Bandstand and parking lot for use as part of our event day activities and parking. Our event will be held (including set-up and breakdown) from 7am to 3pm. We are also asking that access to the bandstand electrical be available so that our radio sponsor may plug in their equipment as in years past. We have secured our own restrooms and trash receptacles and will endeavor to keep all areas clean and tidy. The American Cancer Society Making Strides Against Breast Cancer is more than a walk; it demonstrates the progress we are making together to fight this disease. Making Strides does not have a registration fee or minimum fundraising requirements, and unites friends, families, and coworkers to raise awareness and funds to fight breast cancer.

We will be sure to acquire all necessary permitting and town permissions for this event and hope that you will consider joining us on the walk day to celebrate this wonderful event. Your acceptance of this request will help the American Cancer Society save more lives from breast cancer and allow the Barnstable County Courthouse to connect with community members in new and meaningful ways. Breast cancer touches so many people in our community, but it’s only when we join together that we will finish the fight. Through the Making Strides Against Breast Cancer walk, the American Cancer Society is doing the most to help people with breast cancer today and striving to find cures to end the disease tomorrow. Your support is what will make it possible to end breast cancer.

I have attached our current certificate of insurance for your review.

If you have any questions, please contact me at 508-367-1542 or Susie.Frost@cancer.org Thank you in advance for your consideration and I look forward to hearing from you.

Sincerely,

Susie Frost

AGENDA ITEM 8d

Authorizing the creation of a new fund for a sub-award from the Tufts Health Plan Foundation, Inc. through CCF, in the amount of $121,520.00, for the period of July 1, 2018 through June 30, 2020
DATE: July 11, 2018
TO: County Commissioners
FROM: Quan Tobey
SUBJECT: New Fund Memo for Tufts Health Plan Foundation, Inc. funding for Human Services Dept. through the Cape Cod Foundation

Barnstable County and the Human Services Dept. has received a subaward from the Cape Cod Foundation (CCF) through the Tufts Health Plan Foundation, Inc. CCF is the lead applicant for this grant and will retain 4% of funding for administrative costs associated with managing and reporting on this grant. Funding received will pay for a portion of salary and fringe for human services staff to conduct baseline assessments to determine age-friendly and dementia friendly communities and develop a region wide plan as well as plans for each of the 15 towns on Cape Cod. Funding is for two years, totaling $121,520.

Because this is a unique funding opportunity and Barnstable County was not the lead applicant, the Barnstable County Human Services Dept. will be executing subcontracts with CCF for each individual staff member involved on the grant and their respective scope of work for each fiscal year. This initial contract represents the scope of work for Project Manager Vaira Harik in year one. Additional contracts for a Project Assistant in year one, and for the Project Manager in year two, will be forthcoming.

Please sign below so the Finance Department may establish a new fund for this project.

Respectfully submitted,

Quan Tobey
