AGENDA ITEM 5a

Approval of Minutes: Regular Meeting of May 22, 2019
Barnstable, ss.

At a regular meeting of the Barnstable County Board of Regional Commissioners, held in the Commissioners’ Conference Room, in the Superior Courthouse, on the twenty-second day of May, A.D. 2019

**Board Regional Commissioners:**

Ronald R. Beaty Present
Ronald Bergstrom Present
Mary Pat Flynn Present

**Staff Present:**

Jack Yunits County Administrator
Steve Tebo Assistant County Administrator
Owen Fletcher Executive Assistant, Administration
Stacy Gallagher Director, Children’s Cove
Ian Roberts Technical Support Specialist, Information Technology

1. **Call to Order**

   Chairman Bergstrom called the meeting to order at 10:00 A.M.

2. **Pledge of Allegiance**

3. **Moment of Silence**

4. **Public Comment**

   No members of the public offered comment.
5. Approval of Minutes

   a. Regular Meeting of May 22, 2019

      Motion by Commissioner Beaty to approve the minutes of the Board of Regional Commissioners’ Regular Meeting of May 22, 2019 as presented, 2nd by Commissioner Flynn, approved 3-0-0

6. General Business

   a. Proposed Ordinance 19-__, repealing Ordinance 98-24 and substituting language in the Administrative Code of Barnstable County Section 2-13, Children’s Cove

      Motion by Commissioner Flynn to authorize the introduction of Proposed Ordinance 19-__ (to be numbered), repealing Ordinance 98-24 and substituting language in the Administrative Code of Barnstable County Section 2-13, Children’s Cove at the next meeting of the County Assembly of Delegates, pursuant to Section 2–8(e) of the Barnstable County Home Rule Charter, as presented, 2nd by Commissioner Beaty, approved 3-0-0

      The Board engaged in a lengthy discussion with Robert Troy, County Counsel, and Stacy Gallagher, Director of Children’s Cove, and Mr. Yunits regarding the need for this ordinance. Mr. Troy detailed the legal foundation for the ordinance, the need for privacy for the new advisory board to be created and using the ordinance to ensure compliance with changes to the Open Public Meeting Law. The Board expressed its concerns with dissolving a body appointed by elected officials and replacing it with one appointed by staff. The Board also engaged in a discussion regarding the nature of the Cove’s work.

   b. Authorizing the approval of an engagement letter from Powers & Sullivan, LLC regarding a Finance Department Transition Audit, and a Septic Loan Transition Audit

      Motion by Commissioner Beaty to authorize the appointment of Powers & Sullivan, LLC for a Finance Department Transition Audit, and a Septic Loan Transition Audit, as presented, 2nd by Commissioner Flynn, approved 3-0-0

      Mr. Yunits noted that this audit was required as best practice due to staff changeovers resulting from the County’s Early Retirement Program. He explained that though there was no engagement letter from the firm, they were already retained for other matters.

   c. Authorizing the appointment of KP Law, P.C. as special legal counsel to the Barnstable County Board of Regional Commissioners on real estate matters

      Motion by Commissioner Beaty to appoint KP Law, P.C. as special legal counsel to the Barnstable County Board of Regional Commissioners on real estate matters,
regarding the sale of the grounds, now or formerly known as the County Hospital and all County owned contiguous parcels excepting a 5.44 Acre parcel on the East side of Old County Road, numbered 875, and now the home quarters for AmeriCorps located within the Town of Bourne, as presented, 2nd by Commissioner Flynn, approved 3-0-0

The Board noted the need for this appointment due to Mr. Troy’s representation of both the Town of Bourne and the County. Commissioner Beaty detailed the history of the item. He noted that the Board had given Mr. Yunits authorization to hire an attorney previously but that a new attorney is needed due to a lack of communication with the previous attorney.

d. **Ordinance 19-07**, adding to the County’s operating budget for Fiscal Year 2019, by making a supplemental appropriation in the amount $500,000.00 to the County Fire Rescue Training Academy Clean-up Fund

Motion by Commissioner Beaty to approve Ordinance 19-07, adding to the County’s operating budget for Fiscal Year 2019, by making a supplemental appropriation in the amount $500,000.00 to the County Fire Rescue Training Academy Clean-up Fund, pursuant to Section 3 – 8 of the Barnstable County Home Rule Charter, as presented, 2nd by Commissioner Flynn, approved 3-0-0

e. **Ordinance 19-08**, appropriating funds in the amount of $850,000.00 to fund the County’s Other Post-Employment Benefits (OPEB) Trust Fund

Motion by Commissioner Beaty to approve Ordinance 19-08, appropriating funds in the amount of $850,000.00 to fund the County’s Other Post-Employment Benefits (OPEB) Trust Fund, pursuant to Section 3 – 8 of the Barnstable County Home Rule Charter, as presented, 2nd by Commissioner Flynn, approved 3-0-0

f. **Ordinance 19-09**, authorizing the borrowing of $1,300,000.00 to purchase a new County Dredge

Motion by Commissioner Beaty to approve Ordinance 19-09, authorizing the borrowing of $1,300,000.00 to purchase a new County Dredge, pursuant to Section 3 – 8 of the Barnstable County Home Rule Charter, as presented, 2nd by Commissioner Flynn, approved 3-0-0

Mr. Tebo addressed the Board regarding the current state of the County dredges, explaining the need for new dredges.

g. **Ordinance 19-10**, establishing the Barnstable County Human Rights Advisory Commission

Motion by Commissioner Beaty to approve Ordinance 19-10, establishing the Barnstable County Human Rights Advisory Commission, pursuant to Section 3 – 8 of the Barnstable County Home Rule Charter, as presented, 2nd by Commissioner Flynn, approved 3-0-0
Mr. David Schropfer, member of the Barnstable County Human Rights Commission, addressed the Board on the continued need for the body.

7. **New Business – Other business not reasonably anticipated by the Chair**

There was no new business at this meeting.

8. **Commissioners’ Actions**

   a. **Authorizing the promotion of Jason Bevis to the position of Interim Dredge Superintendent as recommended by the County Administrator**

   Motion by Commissioner Beaty to authorize the promotion of Jason Bevis to the position of Interim Dredge Superintendent as recommended by the County Administrator, as presented, 2nd by Commissioner Flynn, approved 3-0-0

   Mr. Tebo addressed the need for the promotion, as well as an upcoming review of dredge services by a newly retained consulting firm.

   b. **Authorizing appointments to the Barnstable County Economic Development Council of Lauren Barker, Ronald Beaty, Tami Jacobsen, Diane Pratt, and Sheryl Walsh for terms through December 31, 2019; Rob Brennan, Duane Fotheringham, Peter Karlson, Harold Mitchell, and Julie Wake for terms through December 31, 2020; and Terri Ahern, David Augustino, Alisa Gallazi, and Susan Moran for terms through December 31, 2021**

   Motion by Commissioner Beaty to appoint Lauren Barker, Ronald Beaty, Tami Jacobsen, Diane Pratt, and Sheryl Walsh to the Barnstable County Economic Development Council for terms through December 31, 2019; Rob Brennan, Duane Fotheringham, Peter Karlson, Harold Mitchell, and Julie Wake for terms through December 31, 2020; and Terri Ahern, David Augustino, Alisa Gallazi, and Susan Moran for terms through December 31, 2021, as presented, 2nd by Commissioner Flynn, approved 3-0-0

   c. **Authorizing the execution of an agreement for a grant from the Massachusetts Department of Environmental Protection, in the amount of $250,000.00, for a period from July 1, 2018 through June 30, 2019, for costs associated with a water quality monitoring program being conducted for the waters of Nantucket Sound, Vineyard Sound, the eastern side of Buzzards Bay and Cape Cod Bay**

   d. **Authorizing the execution of an agreement for a grant from the United States Department of Housing and Urban Development (HUD), in the amount of $67,356.00, for a period from July 1, 2019 through June 30, 2020, for the Continuum of Care Homeless Management Information System (HMIS)**
e. Authorizing the creation of a new fund for a grant HUD, in the amount of $67,356.00, for a period from July 1, 2019 through June 30, 2020, for HMIS

f. Authorizing the execution of a cooperative agreement with the Town of Harwich to do and perform all dredge related work at Allen Harbor up to a maximum contract amount of $67,500.00

g. Authorizing the execution of a contract with Leo Vigeant Co., Inc, for Drainage and Guardrail Items, for a period from April 1, 2019 through March 31, 2020, with an option to renew for one (1) additional year

h. Authorizing the execution of Certificates for Dissolving Septic Betterments

Motion by Commissioner Beaty to approve Items 8b through 8h on the agenda for the Board of Regional Commissioners’ Regular Meeting of May 22, 2019, as presented, 2nd by Commissioner Flynn, approved 3-0-0

9. Commissioners’ Reports

Chairman Bergstrom spoke regarding County surplus equipment at the Dennis Department of Public Works site.

10. County Administrator and Staff Reports

Mr. Tebo addressed the surplus equipment reported on by Chairman Bergstrom.

11. Adjournment

Barnstable, ss. at 11:17 A.M. on this twenty-second day of May A.D. 2019, Commissioner Beaty made a motion to adjourn, 2nd by Commissioner Flynn, approved 3-0-0

List of Documents:

- Draft Minutes of the Board of Commissioners’ Regular Meeting of May 15, 2019
- Proposed Ordinance 19-___, repealing Ordinance 98-24 and substituting language in the Administrative Code of Barnstable County Section 2-13, Children’s Cove
- Memorandum dated May 21, 2019 to the County Commissioners from Owen Fletcher, Executive Assistant, regarding the Appointment of Special Legal Counsel
- Correspondence dated May 17, 2019 to Jack Yunits, County Administrator, regarding Retention of Services from John W. Giorgio of KP Law
- Ordinance 19-07, adding to the County’s operating budget for Fiscal Year 2019, by making a supplemental appropriation in the amount $500,000.00 to the County Fire Rescue Training Academy Clean-up Fund
• Ordinance 19-08, appropriating funds in the amount of $850,000.00 to fund the County’s Other Post-Employment Benefits (OPEB) Trust Fund
• Ordinance 19-09, authorizing the borrowing of $1,300,000.00 to purchase a new County Dredge
• Ordinance 19-10, establishing the Barnstable County Human Rights Advisory Commission
• Memorandum dated May 21, 2019 to the County Commissioners from Justyna Marczak, Human Resources Director, regarding the Promotion of Jason Bevis to Interim Dredge Superintendent
• List of Appointees to the Barnstable County Economic Development Council
• Agreement for a grant from the Massachusetts Department of Environmental Protection, in the amount of $250,000.00, for a period from July 1, 2018 through June 30, 2019, for costs associated with a water quality monitoring program being conducted for the waters of Nantucket Sound, Vineyard Sound, the eastern side of Buzzards Bay and Cape Cod Bay
• Agreement for a grant from the United States Department of Housing and Urban Development (HUD), in the amount of $67,356.00, for a period from July 1, 2019 through June 30, 2020, for the Continuum of Care Homeless Management Information System (HMIS)
• Memorandum dated May 15, 2019 to the County Commissioners from Quan Tobey regarding New Fund Memo for FY20 CoC HMIS Grant in Human Services Dept
• Cooperative agreement with the Town of Harwich to do and perform all dredge related work at Allen Harbor up to a maximum contract amount of $67,500.00
• Contract with Leo Vigeant Co., Inc, for Drainage and Guardrail Items, for a period from April 1, 2019 through March 31, 2020, with an option to renew for one (1) additional year
• Memorandum dated May 20, 2019 to the County Commissioners from the Community Septic Management Loan Program regarding Certificates for Dissolving Septic Betterments
Approved, Board of Regional Commissioners:

Ronald Bergstrom, Chair  Mary Pat Flynn, Vice-Chair  Ronald R. Beaty, Commissioner

Date

The foregoing records have been read and approved, May  , 2019.

“GREAT WHITES” CAPE COD`s
“MOST WANTED”

TO: Barnstable County Commissioners

5/21/2019

RE: Shark Deterrent

Deep Blue LLC. requests an audience with the board on “MAY 29th” to present Shark Deterrent Proposal. Proposal has been submitted to The Woods Hole Group and is being evaluated.

Please confirm schedule request,

Regards,

Willy Planinshek
“GREAT WHITES” CAPE COD’s
“MOST WANTED”

TO: Woods Hole Group
RE: Shark Deterrent

ABSTRACT OVERVIEW

M.A.D.S. has debriefed the current crisis facing Cape Cod for the 2019 summer season as follows:

1. Great White interaction with native and summer tourists must be cured to a highly scientific consensus of accepted Public Safety standards.

2. Atlantic Grey seals are a large part of not only the problem but part of the solution.

3. The MMPA. Guide Lines will be discussed, understood in body and inserted into the fabric of the remedy.

4. Federal permitting and all associated state and local agencies referred in the MMPA. will be approved.

5. M.A.D.S. will not advance failed Shark Hazard Mitigation Programs as seen recently in Hawaii, Brazil, Cape Town and Australia by way of Baiting - Drum Lines, Hooking, Netting, Tag and Relocate, Obstruct, Poison and Culling. These ineffective mechanical measures and
practices have ironically only placed numbers of staff in harm`s way, as well as local and state budgets.

6. **M.A.D.S.** offers a double platform devise submerged, attached to a seasonal buoy placed at all town approved swimming areas. Platform will detour: natural travel patterns / interest trigger (hearing and nose) / quell predator reflexes & beach proximity.

7. **M.A.D.S.** is a full preventative interaction deterrent not to be confused with currently discussed “AFTER THE FACT” resource reaction deployment.

**PROBLEM STATEMENT**

Great Whites have made their presence well known in the past 2 years here on the Cape Cod and Nationally. Their abundant presence has been chronicled in Arial viewing, fisherman sightings and sadly interaction with swimmers and surfers.

The Great White Shark population has been documented as growing in recent years and predicted to increase annually due to the recent migration surge of the Atlantic Grey Seal to our shores.

The seal migration is prompting the Great White human interaction due to the seals close swimming proximity to the Cape`s outer beaches. This seal survival and community behavior of patrolling our beach front, often within 50ft, has also drawn the Great Whites closer due to both animals´ predatory demands. These occurrences have far reaching consequences on multiple human, economic and marine levels.

The loss of life past & projected in itself is a regional & family hardship, which demands all available agencies to combine Marine Theories, Scientific Principles, Techniques and Technologies to a solution of equals for swimmers, surfers, seals, sharks and beach communities to co-exist.

Wherein, there is no expectation of a reduction of seal or Great White populations, a commanding sense of urgency to develop and implement a “Deterrent Solution” is at the fore front of all conscience minds here on Cape Cod.

**AVAILABLE DATA**

**M.A.D.S.** is mindful of the audio frequency data proven and in use, developed at The U.S.C. Santa Cruz, Earth Science Laboratory siting the use of “PINGER Technology as it relates to their overpopulation of Harbor Porpoise, Dolphin and Beaked Whales. PINGERS have been proven successful and are presently attached to netting to repel the capturing of these named species.
The PINGERS emit a specific frequency which is an irritation to these specific species and obviously approved by the MMPA.

The Atlantic Grey Seal has not yet been studied as to our intended use. There are studies indifferent to our system which is helpful in excluding data and narrowing our objective. Our general operational theory is control the travel pattern of seals by way of a directed audio sound wave to create a protective dome extending out from approved municipal swimming areas. An anchored double Platform buoy will support both seal and shark proven frequency deterrents forming an Acoustic Axis Cone. The cone will push the seals and sharks into deeper waters and eliminate the Great White predator purpose and interaction with swimmers and water enthusiasts.

The second level of the Platform will be an Orca Vocalization chamber to alert the Great Whites that their only and intensely feared predator is nearby. It has been witnessed and recorded, when there have been Orca`s present there has been up to a 2 month vacancy of Great White sightings.

**SOLUTION**

Deep Blue`s **M.A.D.S.** presents the only deterrent theory known at this time to prevent, not respond to a shark event.

All publicized deterrents are based on recognizing the “threat” and alert system activation measures: Cellular upgraded transmission network to signal First Responders and Beach Support Staff of a shark interaction, call boxes, more life guard towers, public signage and education.

Deep Blue proposes a deterrent which by the use of an anchored buoy with an adjustable duel frequency platform that actually establishes a protective dome, shielding public swimming areas.

Basis of theory, both seals and sharks inner ear chambers and external Lateral Line body Sensors that can be challenged by sound waves tuned to promote uncomfortable physical and balance mobility sensations.

**MMPA. SEAL BEHAVIOR Section** sites “Jefferson & Curry 1996 ((MMO1131) brings proof that ADD`s either caused pain (DISCOMFORT) or distracting enough to create an aversion and causes the animal to flee”.

**MMPA. Introduction: Section 2 FINDINGS & DECLARATION OF POLICY – Paragraph (1)** Certain species are or maybe in danger of extinction or depletion as a result of man`s activities **(2)** Policy of Resource Management has been successful in achieving their goal to obtain optimum sustainable population.
Section (3) DEFINITIONS: (4) Regulated “HUMANE TAKING” defines the “TAKING” practice, we are proposing. It promotes the least amount of pain and suffering practicable to both animals involved.

DEFINITION of “TAKE” (13) means to Harass, Hunt, Capture or Kill. (18) HARASSMENT defined as to “INJURE”, “DISTRUBE” in the wild or “DISRUPTION” of behavioral patterns.

“THE INCIDENTAL TAKING by HARASSMENT” Section (5) – Paragraph A - sub paragraph (i) paragraph (D) – sub paragraph (iii) – PERMITTING for SCIENTIFIC RESEARCH Section 104 PERMITS – paragraph (3) – sub paragraph (A) & (C), paragraph 10 – sub paragraph (D), APPLICATION PROCEEDINGS, NOTICE HEARING REVIEW (D)

Buoy’s anchored off posted swimming areas, will be placed in early spring and retrieved in mid-October. Their power source will be a long lasting approved battery and bi-monthly exchanged with a newly charged battery. The buoys’ output will be monitored by measuring sound frequency output in that quadrant, reducing any interruption or weakness of dome protection.

M.A.D.S. will employ the use of Directional Transducers to establish a cone effect forming an “Acoustic Axis”. The control, concentration and focusing of this beam is known as” The Directivity Factor”. NOTE: it will be imperative for all communities to adapt this technology, the breaking of the domed travel pattern and the deeper water habitat, could reasonably concentrate overwhelming numbers of seals and sharks in non-protected swimming areas.

The commitment to a directional sound wave we have proposed, will be flexible in frequency strength as well as direction not only for town swimming enthusiasts but also recognizes the safety and possible hardships frequency technology, may have on all natural marine life habitats of integrated areas.

SOLUTION MISSION: to disperse an intermittent Ultra Sound Frequency Pulse targeted to Grey Seal and eventually Great White inner ear chamber creating an irritable sensory reaction as well as effecting their mobility and balance. This development will most assuredly compel the animal into more comfortable, normal circumstances and friendlier environments.

SUMMARY

Deep Blue LLC. was created for the sole purpose of the proposal you see today, there are no other objectives or projects. I have spent my life by choice here on the Cape. Its ocean play grounds have served my family and friends well and it is that loyalty I now have devoted myself to this noble endeavor. No cost of time spent nor regrets of being passed over, for all information directed to this effort will be used in the light, of its successful conclusion. I am proud for this moment, to reimburse The Cape for all the past, present and future generational gifts it still has to offer.
It is my understanding and commitment to involve and integrate all MMPA regulations in our M.A.D.S. and will welcome their and local township officials concerns, suggestions and comments as well.

I believe M.A.D.S. will be the proven key to the Co-Existence of 2 worlds by the power of Sculptured Technology.

REGARDS,

WILLY PLANINSHEK

ADDENDUM

Frequency`s directed at seals should vary in strength giving it a reality response called “Startle Response” This will be intermittent and produce these desired responses: Changing in surface breathing, diving patterns, changes in group composition, changes in vocalizations and ultimately swimming away from frequency detonator dome.

M.A.D.S. devise should be targeted towards the seal`s inner ear sensory receptor rather than the Great Whites, which there is no credible research available.

Seals have been studied to respond to higher frequency`s used by their predators. The chase for Great White frequency disruptors is arduous at best, I believe our solutions are the combinations: seal reaction to “Startle Response” and emit Great White & Orca vocalizations (AHD`s Morton 7 Symonds 2002) to move (Traffic) the seals into deeper waters.
AGENDA ITEM 8a

Authorizing the approval of a reimbursement request from Jack Yunits, County Administrator, for the period of April 23, 2019 through May 21, 2019

AGENDA ITEM 8c

Authorizing the execution of Certificates for Dissolving Septic Betterments
MEMORANDUM

DATE: May 27, 2019
TO: County Commissioners
FROM: Community Septic Management Loan Program
SUBJECT: Certificates for Dissolving Septic Betterments

Please execute Certificates for Dissolving Septic Betterments certifying that the betterment assessments upon the hereinafter described parcels of real estate in the Notices of Betterment Assessment recorded in Barnstable County Registry of Deeds or Barnstable Registry District of the Land Court as listed below, stating that betterments to be assessed pursuant to a betterment agreement for septic improvements, in accordance with General Laws, Chapter 111, Section 127B 1/2 have, together with any interest and costs thereon, been paid or legally abated.

Approved:

Board of Regional Commissioners

Ronald Bergstrom, Chair  Ronald R. Beaty, Vice-Chair  Mary Pat Flynn, Commissioner
