EXECUTIVE

The mission of the County is to promote and sustain a pro-active open government that enhances the quality of life for the citizens of Barnstable County. The budget established each year for Barnstable County is based on the program priorities and objectives of each County department. The emphasis in the fiscal year 2012 budget process has been on finding ways to enhance the delivery of services in a cost control environment and to maintain the delivery of vital services to the towns and residents of Barnstable County. Goals and objectives are developed in conjunction with the budgets for each department.

As outlined in Article 3 of the Barnstable County Home Rule Charter, the Executive powers of the County shall be vested solely in the Board of County Commissioners and may be exercised either directly by such Board, or through the several County agencies under its direction and supervision. The Board of County Commissioners shall cause this Charter, the laws, ordinances and orders for the government and administration of the County to be enforced. The Chief Administrative Officer for the County shall be the County Administrator, who shall be appointed by a majority vote of the County Commissioners to serve for an indefinite term. The County

Administrator shall have, possess and may exercise all the powers, rights, and duties commonly associated with the office of chief administrator of a local government.

CAPE LIGHT COMPACT

The Cape Light Compact was formed through an intergovernmental agreement executed by the 15 towns of Barnstable County in 1997 and the six towns of Dukes County in 1998.

The purpose of the Cape Light Compact is to represent consumer interests in emerging competitive markets for electricity. The Compact provides: 1) an option to join together for purchase of power supply at reduced rates, 2) recovery of funds collected from Cape and Vineyard consumers by Commonwealth Electric Company/NSTAR each month for energy efficiency, and application of those funds in locally-approved energy efficiency and conservation programs; and 3) an opportunity for professional representation at the state level and in negotiations with Commonwealth Electric/NSTAR.

The objective of the Cape Light Compact is to develop the County and its agencies in order to provide leadership, planning, guidance, and direct technical assistance in the areas of energy, environment, and economic development.

The objective of the department is to develop methods that facilitate communication between County officials, the public, and local officials, share information and develop partnerships to further enhance regional efforts and innovations. The Barnstable County Assembly of Delegates is the legislative branch of County Government. As the County's law-making body, the Assembly's work takes the form of ordinances and resolutions which may be initiated by Delegates, Assembly committees, the Board of County Commissioners, or by an initiative petition. The Assembly of Delegates appropriates the County's annual operating and capital budgets and supplemental requests. At the direction of the Speaker and the Chair of the Standing Committee on Finance, each Standing Committee of the Assembly participates in the review of the County budget. The Standing Committees meet with department managers and discuss the effectiveness of each program being operated within Barnstable County and also examine future needs for regional services within the County.

Because it is difficult to forecast the number and/or complexities of legislative initiatives that the Assembly of Delegates will be required to deal with, it is impossible to predict what the volume of output or priorities will be in any given year. The budget is designed to assure that the functions of the Assembly of Delegates are carried out and that the public is well served.
