Hi Janice,

I'm Emma Doyle from Wellfleet here. I am unable to attend the public hearing today on the recall provision but I wanted to provide my public comment: I am in support of a recall provision for the county commissioner office.

I believe that if an elected official acts inappropriately, we as the public should be able to act accordingly. Not just wait until the next election. I've felt this way for a long time and I am glad there is a public hearing today.

Thank you,
Emma Doyle

I apologize for my late comment. I STRONGLY support the adoption of a recall provision to the charter. I also just emailed John Ohman.

Thank you,
